Please plan to attend, I believe last year was a great success
and look forward to hosting another one this year.

Food will be provided by: Sterling Silver
The Humble Chef Inc.
Sys co, Peterborough

Vice President Report

Hello again to all, and hope you all are finding yourselves doing great and making lots of money. And what's with this humidity thing? WOW so soon, and so uncommon in these parts.

So it seems the good weather is here and hopefully the business to go with it. I know that from golf prospective, this means good things. My apologies for the last meeting, I was planning on attending, but as we know, staff has a way of determining your schedule at times. So please accept my humblest apologies for my absence.

I know we are all busy, and working hard, but it would be nice to see all of you, or as much as possible attend the last meeting/event of this season before Summer. Support the HDSCC and have a great time relaxing with golf and a beverage, or just a beverage on the patio. We would love to see you come out.

I just want to say this though... Thanks to Helena for all her hard work through this past season, she is one amazing woman. I try to do what I can, but she is there all the time and I want to publicly say that you all.

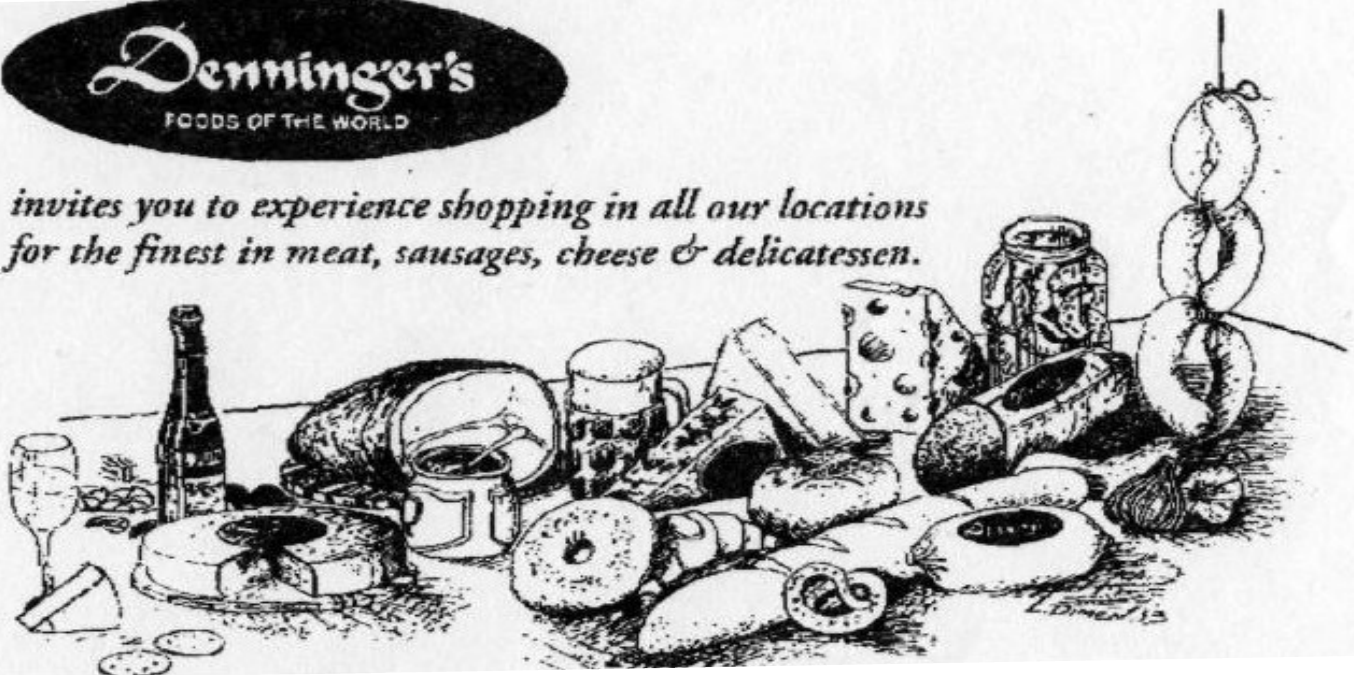

It has been a wonderful season, and in the fall we have wonderful things planned for the HDSCC and look forward to seeing you all again.

Take care and Bon Appetit,

Tim Humble, VP of the HDSCC

HAMILTON BRANCH EVENTS

HDSCC Minutes, Monday, May 30, 2005

The meeting was called to order by Paul Gamble, The Central V.P. of the HDSCC hosted the meeting. We thanked Paul and Uneliver for hosting the meeting. The food was good, with great wine and company.

Paul gave the members a tour and a view of the day to day operations. From the test kitchens, the science that goes with the products, and of course, we can not forget the desserts.

We went to the second floor to the ice cream parlour and had all the ice cream you can ask for.

Art Gallery of Hamilton

I had the pleasure of being on the committee that organized the event. It all started to come together on the Friday before the long weekend. The tent came up, then the rentals, and by Wednesday the 25th you could see it all falling into place. Thursday everything was in full swing. An army of chefs from around the city gathered and worked in harmony to plate the courses like a well oiled machine, catering to 612 guests.

I would like to thank the instructors and the students from Robert Bateman School for coming to help plate the dessert course. As well as helping in other areas. Great job. I would also like to mention that these students had a great time and will take this experience with them.

After the dinner, guests toured the Tanenbaum collection, and what a great collection it is. It is well worth going to see. Saturday was also a great event with a buffet service and we had the pleasure off sitting and enjoying the event. Congratulations to Michael and David from Bistro 1010, and we wish you continued success.

Go Cooking at the Hamilton Spectator

Classes run on Tuesdays and continue to be booked solid. A great number of chefs from the city partake in the classes and offer guests personal experiences and tips. I have attended the classes and had some great food and wine. If you are looking for something to do to have a nice evening out this would be something to try.

Vine Dining

A tour of restaurants and wineries, offering a sampling of great wine a food. Held on the 19th of June, and is a great Father's Day gift.

CCFCC/ Knorr Junior Culinary Challenge

Juniors will compete to gain the title of the next great Chef. It will be televised November on the Global network. Members of CCFCC Team Scotland 2005 will prepare dinner for the President's Gala night.

President's Report

I will be going out to Edmonton to attend the conference. Just a quick note that I am no longer with the Marty Karl Centre. To reach me, direct all your calls to 905-388-8312 and I will get to you as soon as I can.

The 2nd Annual golf tournament will be held at Tim's new place and I will see you when I get back.
